

SHEFFIELD & DISTRICT FAMILY HISTORY SOCIETY

BECOME A MEMBER

Family History research is a very popular hobby and searching for your ancestral roots can be quite addictive. To help with the research many people find it useful to join a Family History Society. This can put you in touch with people with similar interests and give you the opportunity to share your research and talk over problems that you may encounter.

The Sheffield & District Family History Society covers the area of modern day Sheffield from Bradfield in the west to Tinsley in the east and from Stocksbridge and Chapeltown in the north to Topley in the south.

Meetings are held in Sheffield on the third Monday of the month (except August and December). We meet at Cemetery Road Baptist Church (Napier Street entrance) at 7.30pm.

Our Journal The Flowing Stream is published quarterly.

Our Publications include: transcriptions of baptisms, marriages and burials in Sheffield parish churches; burials in some local cemeteries; baptisms and marriages in non-conformist places of worship, notably a large number of Methodist chapels; census records and memorial transcriptions. We also publish some booklets to assist your research.

We look forward to welcoming you as a member of the Society.

All general enquiries about the Society should be addressed to the
