

SHEFFIELD CATHEDRAL

MARRIAGES TAKEN FROM BOOK 8

OCTOBER 1735/6 to MARCH 1754

Transcribed by J. Edward Shortland

Typewritten & Indexed by Keith Blagden

Because of the very poor condition of this Parish Register only Marriages were transcribed in 1983. The whole of the Register was transcribed (Baptisms, Marriages, and Burials) in 1975-6 by Mary Walten and William Owen, and sent to the Yorkshire Archaeological Society for printing into Volume 7. Names, and lines marked with an * in this book are completely illegible.

Only the names of the Males and Females who were married are mentioned in the index, not the names of ministers who granted licences and married them.

In the index names marked * indicates that the preceding name will be found more than once on that page.

BY KIND PERMISSION OF THE PROVOST

THE VERY REV. W. F. CURTIS A.K.C.

(Due to a fault in transcribing there is 2 pages marked 49, thus each, will be indexed as 49/1 or 49/2)
